Listing Office Heritage Realtors Inc

Looking for a sturdy home sweet home? This all-brick home has only been owned by two families to date! Will you be lucky number three? The WOW factor is the spectacular addition to the back of the home! It boasts a cathedral style ceiling, a fireplace, windows all around, a skylight and wet bar! Just off the addition, enjoy quiet time in the sunroom. Three bedrooms, including a primary suite, and a full bath can be found on the main level. Downstairs, find a large rec room, fireplace, 3/4 bathroom, laundry room with tons of cabinet space and soak sink! Add an egress window to the additional room downstairs to make it a four bedroom home. The home includes a single detached and double attached garage spaces! The windows and furnace are newer items! Please call Realtor to take a tour today! Thank you
